Access to NAB's Volunteering and Giving Program

Guide for charities, community organisations & not-for-profits

For over 20 years, NAB has operated one of the largest corporate volunteering and giving programs in Australia. NAB's 30,000 colleagues use NAB Neighbourhood, a technology platform, to create fundraisers, donate to causes that matter most to them, take part in volunteering opportunities and organise their own volunteering.

This guide is to help your organisation access NAB's Volunteering and Giving Program.

Be part of NAB Neighbourhood

NAB colleagues can quickly and easily take part in volunteering and giving opportunities with organisations like yours via NAB Neighbourhood, our technology platform powered by **Benevity**.

By signing onto your organisation can:

- Access 30,000+ NAB colleagues nationally, who have a minimum of two days general volunteer leave each year and unlimited skilled volunteer leave.

- Find volunteers to work with you face-to-face or virtually, for either short or long-term projects.

- Connect with skilled volunteers to help you with a huge variety of tasks, such as data analytics, strategy, marketing, or solve strategic problems.

- Advertise your fundraising campaigns to NAB colleagues through internal channels.

- Have the opportunity to be part of matched fundraising campaigns.

- Receive colleague donations, including one-off or recurring pre-tax workplace giving.
